David Elvis Leeming is Senior Lecturers at the University of Central Lancashire, UK. He has a great deal of experience of working with students from a multicultural environment both on online and face-to-face.

Currently he works in the field of Intercultural Communication, coaching, and Optimum leadership/ team building training. David has worked in many countries, and for extended periods, as a tutor, in Greece and Japan. He is published, and has presented papers across the globe. He has also found time for some significant grant capture.

He holds four degrees and is working hard to complete a Doctorate in Elite Performance. He is a qualified coach and a fellow of the Higher Education Academy. He is accredited in Belbin Team Roles, MBTI, and the Richard Lewis cultural model.
